

NEW YEAR MESSAGE

With profound gratitude & pleasure, I would like to take this opportunity to wish you all a Very Happy and Prosperous New Year-2019. **New year gives you an opportunity to reinvent yourself.**

The year gone by was challenging with innumerable hurdles, which we were able to face successfully. Despite unfavorable conditions, all of you have shown zeal, dedication and commitment towards the cause of organization. I take this occasion to convey my appreciation for the commitment, enthusiasm & zeal shown by all employees & sincerely hope the same during the years to come.

The everyday effort of our employees is vital because no matter their position or function, they all are helping the NHRDF to achieve its goals. As token of your hard work, we were able to give best possible salary revision to match inflation. I want to thank all our employees, because if it were not for your constant effort and dedication, nothing we have achieved would have been possible. I am sure that all of us will continue to jointly work for serving the farming community, exporters and all stake holders concerned in better way & re-dedicate ourselves in the services of Foundation. Let us move forward, step by step, with new hope in mind to make better future for ourselves, our organization and the country as a whole. May this year be full of prosperity and happiness for you and your family.

**Open your eyes, look at the bright day awaiting you,
forget all bad dreams and start afresh.
Wishing You a Wonderful New Year 2019.**

Jai Hind

Yours sincerely
