**A BRIEF REPORT ON GARLIC PRODUCTION AND AVAILABILITY
IN THE COUNTRY**

A. GARLIC STORAGE:

About 70% stored stock of garlic is over and the rest stock will continue to arrive in the markets till February, 2016 along with the fresh arrivals of early crop from M.P. and Gujarat states. The garlic bulbs were stored in M.P., Rajasthan, U.P. and Gujarat.

B. RABI CROP:

The planting of rabi garlic in Rajasthan, M.P. and Gujarat is almost completed while it is continued in U.P. and other Northern states like Bihar, Odisha etc. and expected to be over by mid November, 2015. The area under garlic is expected to be increased in major garlic growing states due to higher prevailing rates in the markets.
